ACCESSING THE myAgora+ PLATFORM

What is the myAgora+ Platform?

The myAgora+ Platform is the meeting point for the whole educational community of Novaschool (parents, teachers and students) and this is now part of Sunland International Novaschool.

Within the platform **parents** can follow, in real time, the educational content, how their child's year is progressing, their learning needs, the exchange of information between all those involved, etc.

Teachers can publish any content related to the subject they teach, thus expanding educational opportunities and building a rapport with their students.

The **students** can continue their learning from home.

In recent years, the myAgora+ platform has proved the ideal tool for communication between families and teachers in the Novaschool centers.

The screenshot shows the myAgora+ platform interface. At the top, there is a green header with the Sunland International Novaschool logo and the tagline "education for life". Below the header, the navigation bar includes "Página Principal", "Cursos", "SECONDARY SCHOOL", "Year 8", and "y8_sci".

The main content area is titled "Science" and features a profile for "Teacher: Mr Eric Jordens" with a photo and email address "ejordens@novasoft.es". Below the profile, there are links for "News forum" and "Curriculum Plan Year 8 Science".

The central section is titled "Chemistry Unit 8E: Atoms and elements" and includes a "Topic Contents" list with links for "8E - Atoms and elements", "Glossary", and "Additional Resources" (including a "Whiteboard note (21-09-2011)"). There are also "Website Links" for "Atoms, Elements, Compounds and Mixtures - Revision", "The Elements: Forged in Stars", and "BiteSize Atoms and elements".

On the right side, there is a "Calendario" (Calendar) for October 2011, showing dates and events such as "viernes, 28 octubre eventos" with sub-events for "Mathematics Paper 22 AS Exam" and "Business Studies Short Answer/Essay 11 AS Exam". Below the calendar are sections for "Últimas noticias" (Latest news) and "Eventos próximos" (Upcoming events), listing "Secondary Assembly" on October 18, "Biology: Advanced Practical Skills 34" on October 20, "Halloween Cake Sale" on October 24, and "Mathematics Paper 22 AS Exam" on October 28.

On the left side, there is a "Navegación" (Navigation) menu with options like "Página Principal", "Área personal", "Páginas del sitio", "Mi perfil", "Cursos", "SECONDARY SCHOOL", and "PRIMARY SCHOOL". Below it is an "Ajustes" (Settings) button.

ACCESSING THE myAgora+ PLATFORM

Secure page, no problem!

When first trying to log on we are faced with a security warning.

This is a routine message which is displayed as a result of the link to the website when no security certificate has been detected (https is not used), it does not mean it is not secure.

In no way does this warning indicate that the page is not secure.

All that is required is to press 'continue.....', to proceed without problems.

El certificado de seguridad del sitio ha caducado.

Has intentado acceder a agorasunland.novaschool.es, pero el servidor ha presentado un certificado caducado. No existe información disponible que indique si el certificado ha sido vulnerado desde que caducó. Google Chrome no puede garantizar la autenticidad de agorasunland.novaschool.es.
