Standard Terminology

Cambridge International Examinations are part of Cambridge Assessment, a department of the University of Cambridge.

Los exámenes internacionales de Cambridge forman parte de Cambridge Assessment, un departamento de la Universidad de Cambridge.

The international qualifications are recognised by the world's best universities and employers, giving students a wide range of options in their education and career.

Las calificaciones internacionales son reconocidas por las mejores universidades y empresas del mundo, dando a los estudiantes una amplia gama de opciones en su educación y carrera.

Their programmes and qualifications set the global standard for international education.

Sus programas y calificaciones establecen el estándar mundial para la educación internacional.

AS and A Level

Cambridge International AS & A Levels balance knowledge, understanding and skills in the qualifications to enable students to become effective learners and to provide a solid foundation for their continuing educational journey. Cambridge International AS & A Levels give learners building blocks for an individualised curriculum that develops their knowledge, understanding and skills.

Cambridge International AS Level is typically one year (Year 12), Cambridge International A Level is typically a two-year course (Year 13), and some subjects can be started as a Cambridge International AS Level and extended to a Cambridge International A Level. They are the equivalent to the Spanish Bachillerato.

Los niveles AS & A de Cambridge International equilibran el conocimiento, la comprensión y las habilidades en las calificaciones para permitir que los alumnos se conviertan en estudiantes eficaces y proporcionar una base sólida para su viaje educativo continuo. Los Niveles AS & A de Cambridge International dan a los alumnos los elementos básicos para un plan de estudios individualizado que desarrolla sus conocimientos, comprensión y habilidades.

Cambridge International AS/A Levels es un curso de dos años (Year 12 AS Levels), y Cambridge Internacional A levels, (Year 13 A Level) algunos temas pueden ser comenzados como un Nivel de AS Internacional de Cambridge y extendido a un Nivel de A Level. Son el equivalente al Bachillerato español.
